JOINT VENTURE AGREEMENT

ARTICLE 1 — TWO COMPANIES, ONE VENTURE

This Agreement marks the moment two companies, each strong alone, choose to be stronger together. Years of competing for the same customers, the same markets, the same wins — set aside in favour of shared upside. Both parties commit to the terms herein, and to the joint venture established by this Agreement, governed by mutual obligation and verified by digital seal.

ARTICLE 2 — VERIFIED, BINDING & BEYOND DISPUTE

This Agreement is executed through Doctavian's Intelligent Document Operating Platform — a cloud-native, API-first system delivering eIDAS-aligned digital signatures trusted by regulated institutions across Europe and beyond. Each signature appended to this document carries the full weight of legal enforceability. Neither party may claim ignorance, coercion, or technical failure as grounds for withdrawal.

ARTICLE 3 — ONE ACCORD, TWO SIGNATURES, NO EXCEPTIONS

Both signatories pledge full compliance with the terms of this Agreement. The partnership stands. Documentation governs where negotiation ended. This Agreement is effective upon the receipt of both digital signatures and shall remain in force unless formally dissolved through a subsequent agreement of equal standing.
